Excellent for pumping water from trenches, manholes and more!
This simple to use, but effective water and sludge pump is a quick and inexpensive way of keeping trenches free of ground water and slurry.

**GRUNDEX®** is air operated from a standard compressor – the air hose is connected to the universal claw coupling of the **GRUNDEX®** pump.

The **GRUNDEX®** main body narrows towards the top, enabling the 10 foot spiral discharge hose to be led directly out of the trench or manhole. The flexible spiral hose can be easily connected to the **GRUNDEX®** pump with a cam and groove coupling.

This cost effective pump is fully resistant to wear, has no moving parts, and is an invaluable accessory for many below ground dewatering problems.

GRUNDOAIR®
The Grundoair 70 portable air compressor can run up to a Model P-95 piercing tool, or power two smaller units simultaneously.

HEAVY-DUTY LUBRICATOR
Provides a continuous source of lubrication to ensure long life and maximum performance of GRUNDOMAT tools.

AIM & LAUNCH KIT
Includes a Telescopic Aiming Frame, Surveyor’s Stake, Starting Cradle and Anchor Stakes.

GRUNDO-OIL®
ALL-SEASON AIR TOOL LUBRICANT
Synthetic air tool lubricant that is environmentally friendly and biodegradable, for use in Grundomat piercing tools.

GRUNDEX COMPRESSED AIR DRIVEN WATER/SLUDGE PUMP
Excellent for pumping water from trenches, manholes and more.

Convenient, Economical Grundomat Package Options

For cost savings, ordering convenience and maximum productivity TT Technologies offers basic and deluxe packages for all models of Grundomat piercing tools.

Packages include practical items that ensure that upon delivery of the tool, you’re ready to bore. The deluxe package also includes a convenient maintenance toolbox with common tools needed to install accessories and perform maintenance procedures on the Grundomat.

BASIC PACKAGE
- GRUNDOMAT Boring Tool
- 50’ Air Supply Hose
- In-line Lubricator
- Magnetic Starting Level
- Operators & Parts Manual
- 1 Gallon GRUNDO-OIL Tool Lubricant

DELUXE PACKAGE
- Includes Basic Package, plus
- Maintenance Tool Box that includes:
  - Spanner Wrench, pair
  - Replacement Spanner Pins
  - Seal Compression Clamp
  - Roll Pin Punch
  - 50ml Liquid Teflon
  - 10ml Loctite
  - Roll Pin Kit
